A NOTE FROM CARLENE

A Little Gratitude. A Little Connection. A Stronger Community.

As we welcome November, I am reminded that strong communities are built through the relationships we nurture. A friendly greeting, a helping hand, or simply letting someone know they matter can make a lasting difference.

At LuckeLife Society, we believe everyone has something meaningful to give — whether it is time, kindness, knowledge, or support.

As we look ahead, we are exploring a special opportunity to bring people together through community giving, celebrating the many ways we can strengthen the place we call home. More details are coming soon!

This month, I invite you to reflect: Who has made a difference in your life, and how can you pass that kindness along?

LANGLEY: A NEW CHAPTER

On October 17, 2026, Langley City voters elected Delaney Mack as mayor and Andrew Flitton, Michael Hylands, Scott Thompson, Rick Orlando, Simi Rajput, and Heather Jenkins to council. The inaugural meeting for the incoming City Council is scheduled for November 2 at 7:00 p.m. Celene Hoag and Tony Ward for stepping forward and representing our City of Langley Students and Future of Education.

This is a time to welcome new leadership and to stay engaged in community decisions. A strong community is built when **we all take part.**

HONOURING THOSE WHO SERVED

November 8 is Indigenous Veterans Day, honouring First Nations, Inuit and Métis people who have served.

On November 11, we pause to remember all who served and those who made the ultimate sacrifice.

We are grateful for their Service, courage and contributions to the communities we call home.
